20 October 2022

MEMORANDUM FOR NG CRE

FROM NGB/JSG

SUBJECT: FY23 CBRNE Response Enterprise (CRE) Formulary

1. The National Guard Bureau Office of the Joint Surgeon (NGB-JSG) publishes integrated Weapons of Mass Destruction- Civil Support Team (WMD-CST), CBRNE Enhanced Response Force Package (CERFP) and Homeland Response Force (HRF) formularies for the NG CRE. The FY23 NG CRE formularies (attached) designate the Potency and Dated (P&D) medical material authorized to order and store in each unit's Area of Operation (AO).
2. Any variances or modifications to the FY23 CRE formularies must be approved by the State Surgeon/State Air Surgeon and coordinated with NGB-JSG. Use of program dollars will not be approved for modifications made at the state level. Copies of modified formularies must be provided to NGB-JSG to ensure accurate reporting and visibility of medical operational capability.
3. Inventory management and control of the formulary items will be completed in accordance with DEA and component specific guidelines.
4. The POC for the undersigned is COL Tommy C. Leeper, JSG Chief of Medical Operations, 703-601-6870, DSN 329-6870, tommy.c.leeper.mil@army.mil.
